Keep Current! Our used list is published on our website!! Check it out at: [www.collinsmarine.com](http://www.collinsmarine.com)

NOTE: "B" AFTER PRICE INDICATES BROKERED. IN MOST CASES NO TRADE-INS ARE ACCEPTED.

Usually financing is available for the same term as a new boat. Sometimes interest rates are a little higher for a used boat, but that is dependent upon the financial institution being used. All brokered boats are represented as being in "good" running condition unless otherwise stated.
